

GuideWell Releases Annual Impact Report

GuideWell is proud to release its fifth consecutive Impact Report, *Empowering People for Better Health*, highlighting our notable progress and achievements in 2025. This report showcases our commitment to improving access to quality, affordable health care, and addressing the social determinants that significantly impact health outcomes. It also reflects our company's direction and ongoing efforts to build a more effective and equitable health care system.

2025 Highlights

Building on the momentum of prior Impact Reports, the 2025 GuideWell Impact Report showcases how collaboration with providers and investments in communities are helping advance whole-person health care, focused on affordability, access, and better outcomes.

Here are some of the themes included in the latest report:

- **Advancing responsible innovation:** Piloting new technologies to streamline provider workflows and enhance convenience for patients.
- **Investing in the future of medicine:** Providing grants and scholarships to future nurses, doctors, and pharmacists to support access to care for generations to come.
- **Addressing affordability together:** Collaborating with providers, policymakers, and community partners to reduce cost pressures for patients, families, and employers.
- **Supporting our communities:** Through \$24 million in charitable giving, GuideWell supported local outreach and food security efforts — providing 24.8 million meals across Florida, Texas, and Puerto Rico — and contributed \$3.2 million to 174 United Way chapters across the U.S. and Puerto Rico.
- **Strengthening the system together:** Partnering with providers to advance value-based care and clinically integrated networks for a more connected, patient-centered experience.
- **Supporting whole-person health and communities:** From mental well-being and maternal health to food security and workforce development, the report underscores investments that support healthier patients, stronger communities, and a future-ready workforce.
