## For Truli for Health and Florida Blue Providers

### ADMINISTRATIVE NEWS

#### **Clinical Quality Validation Form to Retire This Year**

The Clinical Quality Validation (CQV) form is an application that enables a provider to upload medical documents and close our members' care gaps. Most providers have been using other tools to specify members' care gap closures; therefore, the CQV application and form will be retired on December 31, 2022. [Learn more>>](#)

### PUBLIC HEALTH / PANDEMICS / COMMUNITY CRISES

#### **Important COVID-19 Update: Monoclonal Antibody Coverage**

We have updated our monoclonal antibody coverage based on the latest government guidance. [Learn more>>](#)

#### **Flu Prevention: Encouraging Members and Communities to Protect Themselves**

Flu season is upon us, and we support your efforts in helping the people in our communities stay healthy and safe. [Learn more>>](#)

#### **Monkeypox Update**

The federal government has declared human monkeypox a public health emergency. As we wait for more guidance from the U.S. Department of Health and Human Services, we want to remind you of some procedures, processes, and guidance.

## For Florida Blue Providers Only

### BILLING AND CODING

#### **Coding Newsletter Focuses on Diabetes and Related Complications**

The September issue of "Closing Gaps and Meeting Metrics" highlights coding tips for diabetes. It explains how to document and code accurately to determine the treatment and care needed. [Learn more>>](#)

### UTILIZATION MANAGEMENT AND OTHER PROGRAMS

#### **Change Coming to Medicare Advantage Radiology Utilization Management Program**

Effective December 1, 2022, Florida Blue Medicare will begin managing the radiology utilization management program for Medicare Advantage through Olive – a health care automation platform. Magellan Healthcare will no longer manage the program.
