## SECTION 1 Changes to Benefits and Costs for Next Year

### Section 1.1 – Changes to the Monthly Premium

Cost	2023 (this year)	2024 (next year)
<b>Monthly premium</b> (You must also continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.)	\$80.40	\$76.70

- Your monthly plan premium will be more if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as creditable coverage) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be *less* if you are receiving “Extra Help” with your prescription drug costs. Please see Section 6 regarding “Extra Help” from Medicare.

### Section 1.2 – Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next year. An updated *Pharmacy Directory* is located on our website at [www.floridablue.com/medicare](http://www.floridablue.com/medicare). You may also call Member Services for updated provider information or to ask us to mail you a *Pharmacy Directory*. **Please review the 2024 Pharmacy Directory to see which pharmacies are in our network.**

It is important that you know that we may make changes to the pharmacies that are part of your plan during the year. If a mid-year change in our pharmacies affects you, please contact Member Services so we may assist.

## Section 1.3 – Changes to Part D Prescription Drug Coverage

### Changes to Our "Drug List"

Our list of covered drugs is called a Formulary or "Drug List." A copy of our "Drug List" is provided electronically.

We made changes to our "Drug List," which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier.

**Review the "Drug List" to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the "Drug List" are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the (FDA) or withdrawn from the market by a product manufacturer. We update our online "Drug List" to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 7 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

### Changes to Prescription Drug Costs

**Note:** If you are in a program that helps pay for your drugs ("Extra Help"), **the information about costs for Part D prescription drugs does not apply to you.** We sent you a separate insert, called the "Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs" (also called the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug costs. If you receive "Extra Help" and you haven't received this insert by September 30, 2023, please call Member Services and ask for the LIS Rider.

There are four **drug payment stages**. The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

#### Changes to the Deductible Stage

Stage	2023 (this year)	2024 (next year)
<b>Stage 1: Yearly Deductible Stage</b>	The deductible is \$505	The deductible is \$545

<p>During this stage, <b>you pay the full cost of</b> your Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Drug) and Tier 5 (Specialty Tier) drugs until you have reached the yearly deductible. The deductible doesn't apply to covered insulin products and most adult Part D vaccines, including shingles, tetanus and travel vaccines.</p>	<p>During this stage, you pay \$3 cost-sharing for drugs on Tier 1 (Preferred Generic), \$14 cost-sharing for drugs on Tier 2 (Generic) and the full cost of drugs on Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Drug) and Tier 5 (Specialty Tier) until you have reached the yearly deductible.</p>	<p>During this stage, you pay \$6 cost-sharing for drugs on Tier 1 (Preferred Generic), \$16 cost-sharing for drugs on Tier 2 (Generic) and the full cost of drugs on Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Drug) and Tier 5 (Specialty Tier) until you have reached the yearly deductible.</p>

### Changes to Your Cost-Sharing in the Initial Coverage Stage

Stage	2023 (this year)	2024 (next year)
<p><b>Stage 2: Initial Coverage Stage</b></p> <p>Once you pay the yearly deductible, you move to the Initial Coverage Stage. During this stage, the plan pays its share of the cost of your drugs and <b>you pay your share of the cost.</b></p> <p>Most adult Part D vaccines are covered at no cost to you.</p> <p>The costs in this row are for a one-month (31-day) supply when you fill your prescription at a network pharmacy that provides standard cost-sharing. For information about the costs for a long-term supply or for mail-order prescriptions, look in</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost-sharing:</p> <p><b>Tier 1-Preferred Generic:</b> You pay \$3 per prescription.</p> <p><b>Tier 2-Generic:</b> You pay \$14 per prescription.</p> <p><b>Tier 3-Preferred Brand:</b> You pay \$47 per prescription.</p> <p>You pay \$35 per month supply of each covered insulin product on this tier.</p> <p><b>Tier 4-Non-Preferred Drug:</b> You pay 50% of the total cost.</p> <p><b>Tier 5-Specialty Tier:</b> You pay 25% of the total cost.</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost-sharing:</p> <p><b>Tier 1-Preferred Generic:</b> You pay \$6 per prescription.</p> <p><b>Tier 2-Generic:</b> You pay \$16 per prescription.</p> <p><b>Tier 3-Preferred Brand:</b> You pay \$47 per prescription.</p> <p>You pay \$35 per month supply of each covered insulin product on this tier.</p> <p><b>Tier 4-Non-Preferred Drug:</b> You pay 50% of the total cost.</p> <p><b>Tier 5-Specialty Tier:</b> You pay 25% of the total cost.</p>

Stage	2023 (this year)	2024 (next year)
<p>Chapter 4, Section 5 of your <i>Evidence of Coverage</i>.</p> <p>We changed the tier for some of the drugs on our "Drug List". To see if your drugs will be in a different tier, look them up on the "Drug List."</p>	<p>Once your total drug costs have reached \$4,660, you will move to the next stage (the Coverage Gap Stage).</p>	<p>Once your total drug costs have reached \$5,030, you will move to the next stage (the Coverage Gap Stage).</p>

### Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

**Beginning in 2024, if you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs.**

For specific information about your costs in these stages, look at Chapter 4, Sections 6 and 7, in your *Evidence of Coverage*.

## SECTION 2 Deciding Which Plan to Choose

### Section 2.1 – If You Want to Stay in BlueMedicare Premier Rx

**To stay in our plan, you don't need to do anything.** If you do not sign up for a different plan by December 7, you will automatically be enrolled in our BlueMedicare Premier Rx.

### Section 2.2 – If You Want to Change Plans

We hope to keep you as a member next year but if you want to change plans for 2024 follow these steps:

#### **Step 1: Learn about and compare your choices**

- You can join a different Medicare prescription drug plan,

- -- *OR*-- You can change to a Medicare health plan. Some Medicare health plans also include Part D prescription drug coverage,
- -- *OR*-- You can keep your current Medicare health coverage and drop your Medicare prescription drug coverage.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder ([www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare)), read the *Medicare & You 2024* handbook, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

As a reminder, Florida Blue offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

## **Step 2: Change your coverage**

- To change **to a different Medicare prescription drug plan**, enroll in the new plan. You will automatically be disenrolled from BlueMedicare Premier Rx .
- To **change to a Medicare health plan**, enroll in the new plan. Depending on which type of plan you choose, you may automatically be disenrolled from BlueMedicare Premier Rx.
  - You will automatically be disenrolled from BlueMedicare Premier Rx if you enroll in any Medicare health plan that includes Part D prescription drug coverage. You will also automatically be disenrolled if you join a Medicare HMO or Medicare PPO, even if that plan does not include prescription drug coverage.
  - If you choose a Private Fee-For-Service plan without Part D drug coverage, a Medicare Medical Savings Account plan, or a Medicare Cost Plan, you can enroll in that new plan and keep BlueMedicare Premier Rx for your drug coverage. Enrolling in one of these plan types will not automatically disenroll you from BlueMedicare Premier Rx. If you are enrolling in this plan type and want to leave our plan, you must ask to be disenrolled from BlueMedicare Premier Rx. To ask to be disenrolled, you must send us a written request or contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY users should call 1-877-486-2048).
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
  - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

### SECTION 3 Deadline for Changing Plans

If you want to change to a different prescription drug plan or to a Medicare health plan for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2024.

#### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

### SECTION 4 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Florida, the SHIP is called SHINE (Serving Health Insurance Needs of Elders).

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHINE counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call SHINE at 1-800-963-5337 (TTY only, call 1-800-955-8770). You can learn more about SHINE by visiting their website ([www.FLORIDASHINE.org](http://www.FLORIDASHINE.org)).

### SECTION 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;

- The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
- Your State Medicaid Office (applications).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Florida AIDS Drug Assistance Program. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call Florida's ADAP directly at 1-800-352-2437 (TTY: 1-888-503-7118), or mail them at: HIV/AIDS Section, 4052 Bald Cypress Way, Tallahassee, FL 32399.
