

# Market-Leading Value-Based Care

With more value-based care than our competitors, it's time to look at how Blue can help you.

Value-based care from Blue Cross Blue Shield helps save you money, while improving the health of your employees. It focuses on wellness, early intervention and intense chronic condition management to drive reduced medical expenses.

- Fewer FR visits
- Reduced hospital admission rates
- Faster healing and return to full function
- Enhanced focus on wellness and prevention
- More employee satisfaction from greater care coordination

## By incenting doctors to proactively manage the care of your employees, we've seen these proven results:

- 5-10% demonstrated savings in total medical costs<sup>1</sup>
- 3% lower hospital admission rates<sup>2</sup>
- 14% fewer ER visits<sup>2</sup>
- 8% better comprehensive diabetes care<sup>2</sup>

#### Save on health care costs now—and over time.

Save on medical cost savings and on the overall costs associated with increased productivity and reduced absenteeism.

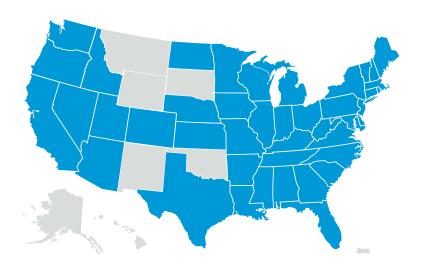

### More convenient, coordinated and cost-effective care.

- Value-based care to make it easy for your employees to see their doctor
- Appointments on their schedule, often in the evening or on the weekend
- Coordinated care through doctors who closely oversee their treatment, with all their providers working in sync

## Find out more about how we're curbing the rising cost of health care.

## With Blue Cross Blue Shield, your employees will never be far from a value-based care provider.

- More than 62 million Blue members are attributed to value-based care
- Over 379,000+ value-based care<sup>2</sup> providers
- More than 3x more providers than our competitors
