

March 2025

Register to Attend Florida Blue's Next HEDIS Innovations Webinar on April 29 Presented by the Federal Employee Program

As part of our mission to help people and communities achieve better health, we are continuing a series of webinars presented by our Federal Employee Program® (FEP). These educational sessions summarize specific Healthcare Effectiveness Data and Information Set (HEDIS®¹) measures and are intended to highlight best practices in support of high-quality patient care.

Our first 2025 HEDIS Innovations Webinar will take place **Tuesday, April 29, from noon – 1:15 p.m. Eastern Time**. It will focus on **Avoidance of Antibiotics for Acute Bronchitis/ Bronchiolitis (AAB)** and **The Use of Imaging Studies for Low Back Pain (LBP)**.

About Our HEDIS Innovations Webinars

The interactive sessions will be led by Florida Blue's FEP Senior Medical Director to raise awareness of the latest changes related to select HEDIS measures, some tools you can use to close care gaps, and much more. There will also be time for questions and answers. Physicians, mid-level providers, nurses, population health staff, clinical training staff, quality care team members, and coding managers are invited to join us to hear about National Committee on Quality Assurance² best practices you may implement in your office.

Future webinar topics will include Adult Immunization Status (AIS), Child Immunization Status (CIS), and coding opportunities for preventive measures.

We look forward to your participation.

The AAFP has reviewed HEDIS Innovations Webinar, and deemed it acceptable for AAFP credit. Term of approval is from 04/29/2025 to 10/31/2025. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This session April HEDIS Innovations Webinar is approved for 1.00 online AAFP Prescribed credit.
