ADMINISTRATIVE NEWS

Important Policy Update: Requests for Peer-to-Peer Reviews

As part of ongoing efforts to optimize our authorizations review process and ensure compliance with the National Committee for Quality Assurance Utilization Management standards, we are implementing a change to our Peer-to-Peer (P2P) review policy. Effective January 1, 2026, all requests for P2P reviews must be submitted by our members' treating or attending physician. [Learn more>>](#)

Reminders About Authorization Inquiries for Other Blue Cross Blue Shield Plans

We are reminding you of the proper procedures for handling authorizations for members outside of the Florida Blue or Truli for Health plans. Follow these guidelines to ensure a more efficient review process for all members. [Learn more>>](#)

PHARMACY

Commercial Specialty Pharmacy Network Changes, Effective January 2026

As of January 1, 2026, we have expanded our specialty pharmacy network with the Advocate+ Pharmacy Match program through Free Market Health. This program efficiently matches our Florida Blue commercial and Truli for Health members with options for in-network specialty pharmacies based on several factors including access and lower out-of-pocket costs for your patients. [Learn more>>](#)

Pharmacy Updates to Commercially Insured Medical Coverage Guidelines Now Available

Each month and quarter, our Medical Coverage Guidelines (MCG) for the commercially insured are updated and published at [FloridaBlue.com](https://floridablue.com) under *Medical and Pharmacy Policies and Guidelines, What's New*. The updates from January 1 include, but are not limited to, a new **Wayrilz** MCG for the treatment of chronic immune thrombocytopenia purpura (ITP) for patients with an insufficient response to prior treatment. There is also a new **Brinsupri** MCG for the treatment of non-cystic fibrosis bronchiectasis in adult and pediatric patients 12 years of age and older. Many other MCG updates are listed.
