## For Florida Blue and Truli for Health Providers

### COVID-19 SPECIAL ALERTS

#### **Important Information on Johnson & Johnson COVID-19 Vaccine**

With the current pause on the administration of the single-dose Johnson & Johnson COVID-19 vaccine, Florida Blue continues to collaborate with our pharmacy and clinical partners on ways we can deliver vaccines to underserved communities. We are also reaching out to our members and the community as we work closely with state and federal health officials for direction on next steps. [Learn more>>](#)
