

2023 Medicare Stars Annual Provider Quality Bonus Program's Annual Wellness Visit Bonus Offer is Extended

The Annual Wellness Visit (AWV) bonus was offered earlier this year for eligible provider groups to earn a bonus for AWVs completed January 1 – June 30, 2023. Based on your feedback and the program's success, the 2023 AWV bonus program will extend through the remainder of 2023 and into the 2024 measurement year. AWVs completed between July 1 – December 31, 2023 and through 2024, will be awarded \$100 per eligible AWV. This is a \$50 increase over the initial bonus offer.

The AWV bonus is the latest component of our 2023 Medicare Provider Quality Bonus program*. To receive the AWV bonus, you must submit a properly coded claim which includes a **G-code** demonstrating completion of an AWV. Each properly-submitted AWV will be paid once for the measurement year.
