

Reminder of In-Network Specialty Pharmacies

We are reminding providers to use our in-network specialty pharmacies for members with Florida Blue commercial, Florida Blue Medicare, and Truli for Health plans. With in-network specialty pharmacies, members can obtain medications at the lowest out-of-pocket costs.

Commercial Plans

For members with commercial plans, specialty medications should be supplied by our current in-network specialty pharmacies **Accredo and CVS Specialty/Caremark**.

- Members can use Accredo or CVS Specialty/Caremark for specialty drug prescriptions covered under a **member's pharmacy benefit**.
- CVS Specialty/Caremark is the exclusive pharmacy for drugs covered under a **member's medical benefit**.

Truli for Health Plans

For Truli for Health patients, **CVS Specialty/Caremark** continues to be the exclusive in-network specialty pharmacy.

Florida Blue Medicare Plans

For Medicare members, specialty medications may be supplied by our current in-network specialty pharmacies **Accredo, Walgreens Specialty, and CVS Specialty/Caremark**.

- Members can use Accredo, Walgreens Specialty, or CVS Specialty for specialty drug prescriptions covered under a **member's pharmacy benefit**.
- CVS Specialty/Caremark can be used for drugs covered under a **member's medical benefit**.
