

## Medicare Part B Drug Prior Authorizations for Medicare Advantage Members

### Code Updates as of April 15, 2024

Our Medicare Part B drug prior authorization Healthcare Common Procedure Coding System (HCPCS) codes have been updated, effective April 15, 2024.

All codes included in a claim must be the same as the HCPCS codes authorized by Florida Blue Medicare to avoid denial. If the authorized codes do not match what is billed on the claim, the authorization will be considered invalid, and the billed services will be denied.

The member's physician must complete the prior authorization request using one of the following methods:

- Log into the Availity<sup>®1</sup> portal [here](#)
- Fax Medicare Part B Rx with medical records to 1-904-357-6699
- Call the Medicare Utilization Management department at 1-800-955-5692 (Option 1 and follow the prompts), Monday – Friday, 8 a.m. – 6 p.m. ET

Our medical/pharmacy policies and guidelines can be obtained [here](#).

Access the updated list of Medicare Part B Drug HCPCSs requiring prior authorization here:
