

## Updated Category for Medicare Advantage Part B Step Therapy

Florida Blue Medicare has updated its Part B Step Therapy programs. Effective **October 1, 2025**, one category was updated for the Part B Step Therapy program for BlueMedicare<sup>SM</sup> Medicare Advantage plans.

### Drug Alternatives

Step Therapy is required, and the definition of medical necessity must be met, for certain non-preferred medications. We encourage you to consider prescribing one of the following preferred alternatives (prior authorization may apply) instead of the non-preferred drugs.

**Note:** Additions to non-preferred products are included below in a red, bold font.

### Updates to Existing Part B Step Therapy Program Category:

#### Colony-Stimulating Factors

Preferred Products		Non-preferred Products
