### BlueMedicare Plus Network

BlueMedicare Premier HMO health plans use a sub-network of the current Medicare Advantage HMO network, called BlueMedicare Plus. Participating Medicare Advantage HMO primary care providers and specialists who practice in the 2022 expansion counties will automatically be included in the BlueMedicare Plus network starting Jan. 1, 2022.

Florida Blue and Florida Blue Medicare are Independent Licensees of the Blue Cross and Blue Shield Association.

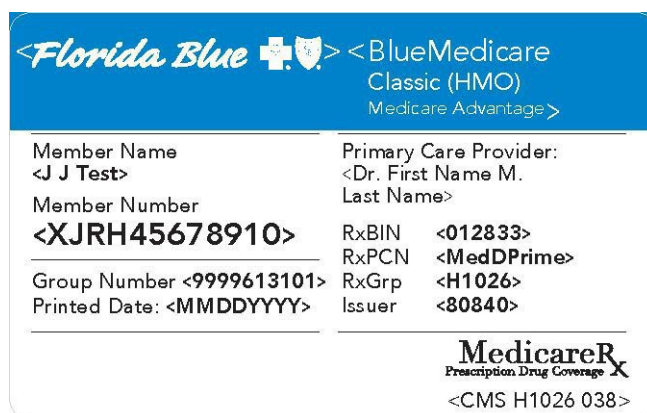

### BlueMedicare Complete for Members Eligible for Medicare and Medicaid

Our dual-eligible special needs (D-SNP) HMO health plan, BlueMedicare Complete, is for individuals who are eligible for Medicare and receive either full or partial Medicaid from the State of Florida. Please refer to the table above to see where BlueMedicare Complete is available in 2022.

- BlueMedicare Complete members are assigned a primary care physician (PCP) who is responsible for coordinating medical services. This means members must have a referral on file from their assigned PCP before visiting a specialist or other provider, or they may have to pay the entire bill.
- There is no out-of-network benefit, except for emergency and urgent care services, renal dialysis, convenient care centers, Medicare-covered hospice (initial consultation) and ambulance services (air or ground).
- You can file claims as you do today for our other Medicare Advantage health plans.

### BlueMedicare Member ID Cards

Member ID cards show the health plan name in the upper right corner of the card. You will also see the name of the member's primary care physician on the front of the card. See sample ID card below.
