HEALTH CARE PLANS (NON-MEDICARE)

Get Covered Florida Helps Educate the Uninsured

As a medical professional, you know how important it is for patients to have health coverage. But did you know almost 1.6 million Floridians have no coverage right now? Many of them may not know they can get an Affordable Care Act (ACA) plan for low or even \$0 monthly payments. [Learn more>>](#)

QUALITY / HEDIS / CAHPS

Looking for a Quick Way to Find Information About Our Quality Programs Online?

Quality counts in care and service. We are committed to supporting the standards established by federal and state regulatory agencies and the National Committee for Quality Assurance (NCQA). We have now made it easier to find important information online about our Quality programs. [Learn more>>](#)

HEDIS Minimum Documentation Guide for Measurement Year 2022

We have updated the key indicators for select Healthcare Effectiveness Data and Information Set (HEDIS) measures. These measures need additional information from the medical chart to complement claims data for a full picture of the care or services provided. [Learn more>>](#)

End-of-Year HEDIS Deadlines for Closing Care Gaps

As the Measurement Year 2022 ends and you work hard to ensure patient care gaps have been closed and submitted to the health plan, we want to share some key dates. These dates will affect your capacity to document your patients' 2022 HEDIS care gaps as closed. [Learn more>>](#)
