Cómo ahorrar dinero en sus medicinas recetadas

Tenga en cuenta el nivel de su medicina

Truli for Health organiza las medicinas cubiertas en "niveles". Por lo general, cuanto más bajo es el nivel, más ahorros puede esperar, especialmente cuando usa una farmacia preferida de Truli.

Medicinas al por menor

Las medicinas al por menor son las que su médico le receta y que puede surtir en una farmacia local.

Medicinas especializadas

Las medicinas especializadas generalmente necesitan un proveedor que lleve un control durante su tratamiento. Son medicinas inyectables, de infusión, orales o inhaladas de alto costo.

Las medicinas especializadas tienen cobertura únicamente si se compran en una farmacia especializada y solo para un suministro de un mes. Algunos productos de especialidad farmacéutica pueden variar del suministro de un mes. Estas medicinas especializadas pueden surtir en cantidades mayores o menores debido al tamaño del envase del fabricante o a los requisitos de dosificación aprobados por la FDA para un tratamiento. La lista de medicinas cubiertas por este beneficio aparece en: [Medicinas especializadas con suministro prolongado diario](#).

Nivel	Qué está incluido
1	Medicinas cubiertas en la Lista de Medicinas A/B de la Fuerza de Trabajo de Servicios Preventivos de los Estados Unidos (U.S. Preventive Services Task Force, USPSTF) Para ayudarlo a administrar su salud y bienestar, cubrimos ciertas medicinas de atención preventiva sin costo compartido cuando las surte en una farmacia participante de Truli. Lista de Medicinas Preventivas de la USPSTF
2	Programas Truli for Me Diseñamos los programas Truli for Me para ayudar a administrar el costo de las medicinas utilizadas para tratar ciertas afecciones. Cuando participa en los programas Truli for Me, paga un costo compartido más bajo por las medicinas incluidas en este nivel Lista de medicinas Truli for Me
3	Suministros y medicinas recetadas genéricas de menor costo
4	Suministros y medicinas recetadas genéricas y de marca de costo moderado
5	Suministros y medicinas recetadas genéricas y de marca de mayor costo Medicinas que aprobamos por excepción <i>Hay alternativas a un costo más bajo</i>
6	Medicinas recetadas especializadas genéricas y de marca de menor costo
7	Medicinas recetadas especializadas genéricas y de marca de costo moderado
8	Medicinas recetadas especializadas genéricas y de marca de mayor costo Medicinas especializadas que aprobamos por excepción <i>Hay alternativas a un costo más bajo</i>

Calcule su costo compartido

Truli le recomienda usar medicinas genéricas siempre que sea posible. Las medicinas genéricas deben tener los mismos ingredientes activos y funcionar de la misma manera que su nombre de marca para obtener la aprobación de la FDA. Esta es una manera fácil de obtener medicinas de alta calidad a costos reducidos.

Si usted o su proveedor solicitan una medicina recetada de marca cubierta cuando se encuentra disponible una medicina recetada genérica, usted será responsable de:

- la diferencia en el costo entre la medicina genérica y la medicina de marca; y
- el costo compartido aplicable a la medicina de marca, como se indica en su Plan de beneficios.

NOTA: Si tiene un deducible, debe alcanzar su deducible antes de que los costos compartidos indicados apliquen.

Si el médico exige el uso de una medicina de marca por razones médicas, debe presentarse documentación de apoyo para evitar ser responsable de la diferencia entre el costo de la medicina de marca y la genérica. Para solicitar una exclusión a la diferencia de costos, el médico deberá presentar una solicitud [aquí](#).

Comparta esta lista de medicinas con su médico para asegurarse de que él o ella sepa qué medicinas incluimos en su plan. Luego, decidan juntos si una medicina genérica sería adecuada para usted. Inicie sesión en el portal de Miembros [Truli](#) para comparar los costos de las medicinas y conocer su costo compartido para una medicina.

Dónde obtener sus medicinas recetadas

Use una farmacia minorista participante de Truli

Usted tiene varias opciones cuando necesita surtir una receta. Surta sus medicinas en una de nuestras farmacias participantes de Truli, que le ofrecen el mejor valor.

Cuando surte sus medicinas recetadas en una de nuestras farmacias participantes de Truli, paga menos de lo que pagaría en otras farmacias. Inicie sesión en su portal de Miembros Truli para encontrar la farmacia participante de Truli más cercana.

Un suministro para tres meses le ahorra tiempo y dinero.

Para ahorrar dinero y evitar ir a la farmacia, pida a su médico una receta para un suministro de tres meses.

Advocate+ Pharmacy Match amplía tu red de farmacias especializadas y te conecta con una farmacia altamente calificada para surtir tus medicinas especializadas. **Importante:** Todas las demás farmacias se consideran fuera de la red para medicinas especializadas aunque estén dentro de la red para otras medicinas no especializadas. Asegúrate de utilizar únicamente las farmacias especializadas de la **Red de farmacias especializadas Advocate+™ Pharmacy Match** para que tus medicinas estén cubiertas.

Para las medicinas [especializadas administradas por un proveedor](#), el profesional de atención médica que te la administra puede pedirla directamente o puede enviar la receta a CVS/Caremark Specialty o a través de una farmacia de [distribución limitada](#) para facturar conforme a tus beneficios médicos. Como tienen cobertura con tu beneficio médico, estas medicinas no están detalladas en la lista de medicinas en tu guía de medicinas.

NOTA: Las medicinas de farmacia especializada no están cubiertas cuando se compran a través de la farmacia de entrega a domicilio de Amazon.

Entrega a domicilio (farmacia para pedidos por correo)

La entrega a domicilio ofrece una manera económica de obtener sus medicinas de mantenimiento: las medicinas recetadas que usa regularmente para tratar afecciones de salud crónicas.

Con la entrega a domicilio, puede pedir el envío por correo de un suministro de hasta 90 días de sus medicinas de mantenimiento. Es una manera conveniente de surtir sus medicinas, y usar la entrega a domicilio puede ayudarle a ahorrar dinero.

El servicio de entrega a domicilio es atendido por [Amazon Pharmacy](#). Para confirmar su proveedor de farmacia de entrega a domicilio, inicie sesión en [TruliforHealth.com](#) y consulte la sección de entrega a domicilio en su cuenta de miembro para obtener detalles adicionales.

Introducción a la entrega a domicilio

Si tiene una receta de su médico para un suministro para 90 días y está listo para comenzar con la entrega a domicilio, visite [myprime.com](#) para crear su cuenta y administrar sus recetas por Internet.

También puede llamar a la farmacia al 855-206-2634 para hablar con un miembro del equipo de farmacia.

Los representantes están disponibles de lunes a viernes de 8 a. m. a 10 p. m., hora del este (ET), y sábados y domingos de 10 a. m. a 8:00 p. m., hora del este.

NOTA: Si la receta original se dispensó en una farmacia distinta de la farmacia de entrega a domicilio, se requerirá una nueva receta original de suministro para tres meses con una cantidad de hasta un suministro para tres meses y no inferior a un suministro para dos meses. Es posible que no puedan transferirse las recetas de una farmacia de venta al por menor a una farmacia de entrega a domicilio.

Farmacia no participante

Su plan solo cubre farmacias fuera de la red para atención de urgencia o de emergencia. Es posible que deba pagar el costo total de la medicina si acude a una farmacia no participante.

¿Necesita sus medicinas durante un viaje? Tiene cobertura.

Entendemos que puede haber ocasiones en las que viaje y necesite sus medicinas o que un proveedor se las entregue.

Medicinas al por menor

Si tiene una receta escrita, simplemente surta estas medicinas en una de nuestras farmacias participantes. Muchas de nuestras farmacias participantes tienen ubicaciones nacionales.

Administradas por el proveedor

Si necesita medicinas administradas por el proveedor durante un viaje, solicite al médico que receta la medicina que coordine con un proveedor participante en esa área antes de viajar.

Información sobre medicinas de referencia común

Esta sección incluye información sobre las medicinas a las que nuestros miembros se refieren con mayor frecuencia.

Medicinas que no cubrimos

Truli Rx Choice es un plan de farmacia de formulario cerrado. Esto significa que solo cubrimos las medicinas que están en la lista de medicinas. Enumeramos las medicinas que no cubrimos en una lista separada.

[Lista de medicinas no cubiertas](#)

Vacunas

Cubrimos ciertas vacunas sin costo compartido bajo los beneficios preventivos de su plan. Puede vacunarse con su médico o con un farmacéutico certificado.

[Lista de vacunas preventivas](#)

Medicinas y dispositivos preventivos para mujeres

Cubrimos ciertas medicinas o dispositivos anticonceptivos sin costo compartido para usted cuando:

- un médico u otro proveedor de atención médica (no un farmacéutico) los prescribe
- los compra en una farmacia participante de Truli

Ejemplos: anticonceptivos orales, anticonceptivos y diafragmas de emergencia [Lista de servicios preventivos para mujeres](#)

Medicinas para quimioterapia oral

Los médicos prescriben medicinas para quimioterapia oral (medicinas que usted toma por vía oral para combatir el cáncer) para eliminar o disminuir el crecimiento de células cancerosas.

[Lista de medicinas para quimioterapia oral](#)

Medicinas nuevas en el mercado

No cubrimos medicinas nuevas en el mercado hasta que el Comité de Farmacia y Terapéutica (Pharmacy & Therapeutics Committee) las haya revisado. Siempre es recomendable consultar esta lista cuando se introduce una nueva medicina en el mercado.

Medicinas para el VIH/SIDA

Su costo compartido para las medicinas contra el VIH/SIDA sigue las pautas de Florida OIR Safe Harbor. Si desea ver más información, visite:

[Pautas de Safe Harbor para las medicinas contra el VIH/SIDA](#)

Medicinas especializadas administradas por el proveedor

Es posible que en el consultorio de su médico le indiquen y administren determinadas medicinas. Su plan cubre estas medicinas como parte de una visita médica necesaria, en lugar de a través de beneficios de medicinas recetadas de su farmacia. El costo de las medicinas administradas por el proveedor aparece en el beneficio de Farmacia médica en su plan de beneficios.

Preguntas frecuentes sobre la lista de medicinas recetadas

¿Quién desarrolla la lista de medicinas?

El Comité Nacional de Farmacia y Terapéutica de Truli for Health and Prime Therapeutics decide las medicinas que incluimos en la lista de medicinas. Revisamos esta lista trimestralmente (cada tres meses). Truli utiliza la información actual de seguridad, efectividad y uso terapéutico para decidir si necesitamos

Nos reservamos el derecho de agregar o eliminar una medicina o cambiar el nivel de una medicina en cualquier momento. Por ejemplo, solo podríamos incluir lo siguiente en la lista de medicinas:

- El producto de un fabricante cuando dos o más fabricantes diferentes producen una medicina con los mismos ingredientes activos, suministros o equipos.
- Una dosis o forma de una medicina cuando una medicina con el mismo ingrediente activo está disponible en diferentes dosis o formas provenientes del mismo fabricante o de diferentes fabricantes.

¿Por qué hacen cambios en la lista de medicinas?

Truli Rx Choice es un plan de farmacia de formulario cerrado. Esto significa que no cubrimos las medicinas que no están en la lista de medicinas.

Algunas razones por las que hacemos cambios en la lista de medicinas son:

- Nuestro Comité de Farmacia y Terapéutica aprueba nuevas medicinas.
- Nuestro Comité Nacional de Farmacia y Terapéutica elimina medicinas por motivos de seguridad.
- Los fabricantes sacan algunas medicinas del mercado.
- Las medicinas genéricas de esas medicinas de marca están disponibles. Por lo general, esto coloca la medicina de marca en un nivel superior porque la medicina genérica es menos costosa.

¿Mi plan cubre medicinas de venta libre?

Su plan cubre una selección limitada de medicinas de venta libre. Su médico debe recetarlas para que las podamos cubrir.

La lista de medicinas cambia a lo largo del año. Revise su portal de Miembros Truli de manera regular para ver si hemos agregado sus medicinas de venta libre a la lista.

¿Cómo solicito una excepción de cobertura?

De acuerdo con 45 C.F.R. 156.122, puede solicitar una excepción si no cubrimos una medicina que necesita.

Solicitud de excepción estándar

Para solicitar una excepción estándar, usted, la persona que usted designe o el médico que receta (u otra persona autorizada para recetar medicinas) puede enviar una solicitud de excepción al completar y enviar el Formulario de solicitud de excepción de cobertura desde el enlace que aparece abajo.

Le notificaremos a usted o a la persona que usted designe y al médico que receta (u otra persona autorizada para recetar medicinas) acerca de nuestra decisión dentro de las 72 horas posteriores a la fecha en que recibimos la solicitud. Si aprobamos la excepción, proporcionaremos cobertura para la medicina exceptuada mientras dure la receta, incluyendo los surtidos.

Solicitud de excepción acelerada

Puede solicitar una excepción acelerada si las circunstancias la exigen. Las circunstancias lo exigen cuando:

1. sufre de una afección médica que puede poner en peligro su vida, su salud o su capacidad de recobrar la máxima mejoría; o
2. se encuentra actualmente bajo un tratamiento que requiere una medicina que no está cubierta en nuestro formulario.

Para solicitar una excepción acelerada, usted, la persona designada o el médico que receta (u otra persona autorizada para recetar medicinas) puede enviar una solicitud de excepción al completar y enviar el Formulario de solicitud de excepción de cobertura desde el enlace que aparece abajo.

Le notificaremos a usted o a la persona que usted designe y al médico que receta (u otra persona autorizada para recetar medicinas) acerca de nuestra decisión dentro de las 24 horas posteriores a la fecha en que recibimos la solicitud. Si aprobamos la excepción, proporcionaremos cobertura para la medicina exceptuada mientras dure la exigencia.

[Formulario de solicitud de excepción de cobertura](#)

¿Qué ocurre si es denegada la solicitud de excepción?

Si denegamos su solicitud de excepción estándar o acelerada, usted, la persona que usted designe o el médico que receta (u otra persona autorizada para recetar medicinas) puede solicitar una revisión de la solicitud original y de nuestra denegación a una organización de revisión externa independiente.

1. Si la solicitud de excepción original es una solicitud estándar, le notificaremos a usted o a la persona que usted designe y al médico que receta (u otra persona autorizada para recetar medicinas) de nuestra decisión dentro de las 72 horas posteriores a la fecha en que recibimos la solicitud. Si aprobamos la excepción, proporcionaremos cobertura para la medicina exceptuada mientras dure la receta.
2. Si la solicitud de excepción original es una solicitud acelerada, le notificaremos a usted o a la persona que usted designe y al médico que receta (u otra persona autorizada para recetar medicina) sobre nuestra decisión dentro de las 24 horas posteriores a la fecha en que recibimos su solicitud. Si aprobamos la excepción, proporcionaremos cobertura para la medicina exceptuada mientras dure la exigencia.

Información importante para **todas las solicitudes de exención del protocolo**:

- **No utilice la solicitud de exención del protocolo si se negó la solicitud previa al servicio.** Si su médico presentó una solicitud previa al servicio y se la denegaron, siga el proceso de apelación estándar.

Truli for Health revisará y determinará la aprobación o denegación de su solicitud de exención del protocolo en un plazo de 72 horas para una solicitud urgente o de 15 días calendario para una solicitud no urgente. Le notificaremos a usted y a su médico el resultado por carta.

Si se deniega la solicitud de exención del protocolo, usted o su médico pueden apelar. Para hacerlo, envíe un formulario de apelación en base a su beneficio. El plazo de revisión de las apelaciones es de 30 días.

Para encontrar el formulario de apelación, inicie sesión en su cuenta de miembro. Seleccione Mis reclamaciones (My Claims) en la parte superior y, luego, debajo de la sección Apelaciones (Appeals), haga clic en Enviar una apelación (Submit an Appeal). Descargue el formulario, llénelo y envíelo según las instrucciones indicadas en el mismo formulario.

1. Nombre de la medicina

La lista de medicinas está organizada en categorías generales (por ejemplo, agentes antineoplásicos) Utilice la función de búsqueda de medicinas (Ctrl+F) para encontrar información actualizada sobre las medicinas de la lista. Las medicinas genéricas aparecen en **negrita**. La mayoría de las medicinas genéricas van seguidas de una medicina de marca de referencia (entre paréntesis). Algunos productos genéricos no tienen marca de referencia. Las medicinas de marca recetadas aparecen en mayúsculas seguidas del nombre genérico. La columna Requisitos/Límites muestra información sobre si esa medicina requiere autorización previa, tratamiento escalonado, distribución limitada o límites de cantidad. A continuación, se indican los significados de los indicadores utilizados en la lista de medicinas.

2. Nivel de medicina

Indica el nivel del formulario para cada medicina.

3. Especialidad (SP)

Indica si se trata de una medicina especializada autoadministrada. Encontrará más información sobre las medicinas especializadas en este documento, en el apartado Medicinas de farmacia especializada, autoadministradas.

4. Requisitos/Límites

- Autorización previa (PA): algunas medicinas requieren autorización previa para garantizar un uso y prescripción adecuados antes de que se cubra una medicina. La cobertura puede aprobarse si se cumplen determinados criterios. Se requiere autorización para tramitar las solicitudes en las farmacias de la red. Si el indicador PA está presente, es posible que el programa PA mencionado se aplique a su beneficio. [Información y formularios de solicitud del Programa de autorización previa](#)
- Tratamiento escalonado (ST): exige que los miembros prueben otra medicina que pueda ser más segura, clínicamente eficaz y, en algunos casos, menos costosa, antes de que se apruebe una medicina más cara. Si el indicador ST está presente, es posible que el programa ST mencionado se aplique a su beneficio. [Información y formularios de autorización del Programa de tratamiento escalonado](#)
- Distribución limitada (LD): los fabricantes de medicinas eligen una o un número limitado de farmacias especializadas para que distribuyan las medicinas. Encontrará información adicional sobre las medicinas de distribución limitada en este documento, en el apartado Farmacia participante.
- Límites de cantidad (QL): algunas medicinas tienen límites de cantidad para fomentar un uso seguro y adecuado. El límite de cantidad es la cantidad máxima que puede distribuirse en un período de tiempo determinado. Si el indicador QL está presente, es posible que el programa QL mencionado se aplique a su beneficio. [Información y formulario de solicitud de excepción del Programa de límites de cantidad](#)

Algunos planes pueden tener programas de Administración de la utilización (UM) (por ejemplo, PA, QL y ST) en medicinas adicionales más allá de los indicados en este documento.
