The provider bulletins and/or frequently asked questions (FAQs) summarized below include hyperlinks (Learn more>>) to full versions. Should you ever experience an issue with any of the hyperlinks, you may access all provider bulletins and FAQs at [FloridaBlue.com](https://www.floridablue.com) > for providers > news > bulletins-and-faqs.

## For Truli for Health and Florida Blue Providers

### BILLING AND CODING

#### **Use CPT II Codes to Confirm Patients' Care Gaps are Closed (Review of Prenatal and Postpartum CPT II Codes)**

Current Procedural Terminology Category II (CPT II) codes provide valuable information about your patients' health and can reduce chart requests. The codes also allow us to identify members for health and wellbeing programs such as our Healthy Addition Prenatal Program. This program matches a member with a nurse for guidance through the steps of a healthy pregnancy, birth, and more. [Learn more>>](#)

### QUALITY/HEDIS/CAHPS

#### **Coding Newsletter Highlights Some ICD-10-CM 2024 Updates**

The ICD-10-CM updates for fiscal year 2024 from the Centers for Medicare and Medicaid Services (CMS) added 395 new codes, removed 25 codes in 17 chapters, and revised 13 code titles. This month's newsletter covers some of these changes. [Learn more>>](#)

### PHARMACY

#### **Pharmacy Updates to Commercially Insured Medical Coverage Guidelines Now Available**

Each month and quarter, our Medical Coverage Guidelines (MCGs) for the commercially insured are updated and published at [FloridaBlue.com](https://www.floridablue.com) under *Medical and Pharmacy Policies and Guidelines, What's New*. The **October 15, 2023 updates** include, but are not limited to, the new **Rystiggo** MCG for the treatment of generalized myasthenia gravis. This update also shows an update to the **Ingrezza** MCG, which includes the use for chorea associated with Huntington's disease. Many other MCG updates are listed. [Learn more>>](#)

### PUBLIC HEALTH

#### **Local Spread of Dengue Fever Occurring in Florida**

The Florida Department of Health is expected to issue a statewide public health advisory regarding dengue fever. More than 60 locally acquired cases of this serious disease have been confirmed in Florida this year. This bulletin includes important information about the spread of dengue in our state and helpful prevention tips. [Learn more>>](#)

# For Florida Blue Providers Only

## COMPLIANCE

### **D-SNP Model of Care: Medicare Advantage HMO Provider Groups' Training Deadline is October 31, 2023**

Health care providers and staff who deliver care to Dual Eligible Special Needs Plan (D-SNP) members and are contracted by managed care organizations, such as Florida Blue Medicare, are required by CMS to receive basic training on the D-SNP Model of Care. To ensure compliance, your provider group must complete this course and submit the required attestation **by October 31, 2023**.
