

Genoa Pharmacy Now In-Network for Long-Acting Antipsychotic Injectable Drugs

Effective, July 1, 2024, Florida Blue and Truli for Health (Truli) have expanded long-acting injectable (LAI) drug access for antipsychotic and substance use disorder services for commercial members with pharmacy benefits.

Florida Blue and Truli pharmacy benefits now include Genoa Healthcare® (Genoa) pharmacy as in-network. Genoa is a provider of LAI antipsychotic and substance use disorder services in 29 Florida locations.

Florida Blue and Truli in-network plans with pharmacy benefits include the following BIN/PCN combinations:

Plans	BIN/PCN
Florida Blue Commercial Plans:	BIN: 012833, PCN: FLBC
Truli for Health:	BIN: 012833, PCN: THP

Now you may have LAIs delivered via Genoa to your location for you or your team to administer. Please send your patient’s prescription order to Genoa, who will verify their eligibility and benefits. A list of LAI drugs is included below.

Long-Acting Injectable Drugs

- Abilify Asimtufii
- Abilify Maintena
- Aristada
- Aristada Initio
- Brixadi*
- Fluphenazine Decanoate

*These LAI drugs require prior authorization.

For Florida Blue plans without a pharmacy benefit (e.g., FEP, State, BlueCard, etc.), please continue to send your patient’s prescription order to CVS Caremark.

- E-Prescribe: Caremark Phone: 1-866-278-5108

For prior authorizations, submit them as usual to Prime Therapeutics through [CoverMyMeds](#) – a free ePA service that allows prescribers to submit and check the status of a PA request electronically. If you have not previously used CoverMyMeds, you may need to [register by creating an account](#). For tips on submitting prior authorizations, please refer to our [Best Practices for Submitting Pharmacy Prior Authorization Requests](#).
