

# Provider Administered Specialty Drugs\*

Current 10/1/21

## Important:

- This is not an all-inclusive list of drugs covered under the medical benefit nor is it a list of all medical drugs that require Prior Authorization (PA).
- These drugs are covered under the medical policy and medical coverage benefits apply.
- Prior Authorization requirements may vary. Certain drugs may not be covered by certain plans.
- Refer to the member contract benefit for inclusion in the PA program and medication guide for determination of coverage ([Prior Authorization Program Information and Forms](#)).
- If you are a provider enrolled in our Provider Administered Drug Program (PADP) and wish to buy and bill a drug on this list, please refer to the [PADP section](#) of our online provider manual for a current list of drugs included.
- Certain specialty drugs may only be available from a specific specialty pharmacy or pharmacy location. These drugs are considered Limited Distribution Drugs (LDD). The appropriate dispensing pharmacy can be found here: [Limited Distribution Drugs](#)
- If you have questions or need further assistance after consulting this table, please call:
  - Customer Service (phone number found on the back of your insurance card)
  - Provider Contact Center: 1-800-727-2227 (**health care providers and office staff only**)
