Customizing the Final Steps page

We have the ability to include additional documents or links for each group.

- **Many groups choose to include a large button with a link that drives the employee to their own enrollment site.**

Some other popular group or agent created items we can include:

- **Rate sheet for all benefits offered**

- **Benefit Booklet**

- **Letter from CEO, Human Resources or Benefit Administrator**

- **Wellness information**

- **Open enrollment presentation or instructions**

- **Important instructions for their employees**

- **Who to contact**
