

CVS Specialty To No Longer Perform Florida Blue Prior Authorization Reviews for Commercial Members

Effective January 2026

We are expanding our specialty pharmacy network with [Advocate+ Pharmacy Match](#) program. To streamline this change, we are also making updates to our prior authorization program.

Beginning **January 1, 2026**, prior authorizations will no longer be performed by CVS Specialty®, though they will continue to be our exclusive pharmacy for provider-administered medications. This change applies to Florida Blue commercial and Truli for Health.

Note: This change does not impact Federal Employee Program®, Medicare, or any groups that do not use Prime Therapeutics™ as a pharmacy benefit manager.
