

## Federal Employee Program Updates: New Member ID Cards and COVID-19 Vaccine Incentive

### New FEP Member ID Card Now Shows Policy Name

The Blue Cross and Blue Shield Federal Employee Plan® (FEP) has updated its member ID cards. They now include the policy name the FEP member is enrolled in: FEP Standard, FEP Basic or FEP Blue Focus. See sample cards below.

The previous ID card only identified members as FEP and did not specify which type of policy the member was enrolled in. Now you can see your FEP patient's plan name on their ID card, which will save you time. The Blue Cross and Blue Shield Association will issue the new FEP ID cards when an individual is newly enrolled or renews their plan.
