### PHARMACY

#### **How to Prevent Denials for Provider-Administered Buy and Bill Drug Claims**

Authorizations received from Magellan Rx Management for provider-administered buy and bill medications only apply to the initial request. If you submit a claim that falls within the original authorization period – with changes to the dose, quantity or frequency – the claim will be denied. [Learn more>>](#)

## For Florida Blue Providers Only

### ADMINISTRATIVE NEWS

#### **Ambulatory Surgery Centers Can Now Perform Cardiac Catherization Lab Services**

The Centers for Medicare & Medicaid Services' (CMS) rules now allow a certain type of Ambulatory Surgery Center to deliver cardiac catherization laboratory services. [Learn more>>](#)

### QUALITY / HEDIS / CAHPS

#### **Consumer Assessment of Healthcare Providers and Systems Survey Tips for Success**

The Consumer Assessment of Healthcare Providers and Systems (CAHPS) survey is sent each year to a random group of members. It aims to assess members' health care experiences for the past six months. [Learn more>>](#)

#### **Health Outcomes Survey Tips for Success**

The Medicare Health Outcomes Survey (HOS) is a patient-reported measure of their physical and mental health over time. It is sent each year to a random group of members and is central to CMS Star Ratings. [Learn more>>](#)
