Updates to Commercially Insured Pharmacy Medical Coverage Guidelines Now Available

Each month and quarter, our Medical Coverage Guidelines (MCGs) for the Commercially insured are updated and published at floridablue.com under *Medical and Pharmacy Policies and Guidelines, What's New*. This month, updates include, but are not limited to, the **Botulinum Toxins** MCG, which now requires use of at least one prophylactic migraine medication. This update also includes a change to **Besremi** MCG, which no longer requires a step through a prior therapy for the treatment of polycythemia vera. Many other MCG updates are listed.
