El formulario puede cambiar en cualquier momento. Recibirá una notificación cuando sea necesario.

Nota para los miembros actuales: Este formulario ha cambiado desde el año pasado. Revise este documento para asegurarse de que aún contiene los medicamentos que usted toma.

Cuando esta lista de medicamentos (formulario) dice “nosotros”, “nos” o “nuestro”, se refiere a Florida Blue Medicare o Florida Blue. Cuando hace referencia a “plan” o “nuestro plan”, se refiere a BlueMedicare Classic y BlueMedicare Select.

Este documento contiene una lista de los medicamentos (formulario) para nuestro plan, la cual está actualizada al 19 de abril de 2024. Para obtener un formulario actualizado, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha en que actualizamos por última vez el formulario, aparece en la portada y la contraportada.

Por lo general, usted debe usar las farmacias de la red para obtener sus beneficios de medicamentos recetados. Los beneficios, el formulario, la red de farmacias y/o copagos/coseguro pueden cambiar el 1.º de enero de 2025 y periódicamente durante el año.

¿Qué es el formulario de BlueMedicare Classic y BlueMedicare Select?

El formulario es una lista de los medicamentos cubiertos seleccionados por nuestro plan, en conjunto con un equipo de proveedores de atención médica, los cuales representan las terapias recetadas que se entienden son una parte necesaria de cualquier programa de tratamiento de calidad. En general, nuestro plan cubre los medicamentos mencionados en nuestro formulario, siempre y cuando el medicamento sea médicalemente necesario, la receta sea surtida en una farmacia de la red de BlueMedicare Classic y BlueMedicare Select, y se sigan las otras reglas del plan. Para obtener más información sobre cómo surtir sus recetas, consulte su *Constancia de cobertura*.

¿Puede cambiar el formulario (lista de medicamentos)?

La mayoría de los cambios en la cobertura de medicamentos ocurren el 1.º de enero, pero podemos agregar o eliminar medicamentos de la Lista de medicamentos durante el año, trasladarlos a diferentes niveles de costos compartidos o agregar nuevas restricciones. Al realizar estos cambios, debemos seguir las reglas de Medicare.

Cambios que pueden afectarlo este año: En los siguientes casos, usted se verá afectado por los cambios de cobertura durante el año:

- **Nuevos medicamentos genéricos.** Nosotros podemos eliminar de inmediato un medicamento de marca en nuestra Lista de medicamentos si lo reemplazamos con un nuevo medicamento genérico que aparezca en el mismo nivel de costos compartidos o uno más bajo, y con las mismas restricciones o menos. Además, al agregar el nuevo medicamento genérico, podemos decidir mantener el medicamento de marca en nuestra Lista de medicamentos, pero trasladarlo inmediatamente a un nivel de costos compartidos diferente o agregar nuevas restricciones. Si actualmente está tomando ese medicamento de marca, es posible que no le informemos con anticipación antes de realizar ese cambio, pero más adelante le proporcionaremos información sobre los cambios específicos que hemos realizado.

Si hacemos dicho cambio, usted o la persona autorizada para extender recetas pueden solicitarnos que hagamos una excepción y que continuemos cubriendo el medicamento de marca para usted. El aviso que le proporcionamos también incluirá información sobre cómo solicitar una excepción. También puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción al formulario de BlueMedicare Classic y BlueMedicare Select?”.

- **Medicamentos retirados del mercado.** Si la Administración de Alimentos y Medicamentos de los Estados Unidos (U.S. Food and Drug Administration, FDA) considera que un medicamento de nuestro formulario no es seguro o si el fabricante del medicamento lo retira del mercado, eliminaremos inmediatamente dicho medicamento de nuestro formulario y notificaremos a los miembros que lo toman.
- **Otros cambios.** Podemos hacer otros cambios que afecten a los miembros que actualmente toman un medicamento. Por ejemplo: podemos agregar un medicamento genérico que no es nuevo en el mercado para reemplazar el medicamento de marca que se encuentra en el formulario actualmente o agregar nuevas restricciones al medicamento de marca o trasladarlo a un nivel de costos compartidos diferente o ambas opciones. O bien, podemos hacer cambios en función de nuevas pautas clínicas. Si eliminamos medicamentos del formulario o añadimos el requerimiento de una autorización previa, límite de cantidad o restricciones de terapia escalonada en un medicamento, o bien trasladamos el medicamento a un nivel de costo más alto, debemos notificarles del cambio a los miembros al menos 30 días antes de que el cambio entre en vigencia, o en el momento en el que el miembro solicite un reabastecimiento del medicamento, para el cual el miembro recibirá un suministro de 31 días del medicamento.
 - Si hacemos estos cambios, usted o la persona autorizada para extender recetas pueden solicitarnos que hagamos una excepción y que continuemos cubriendo el medicamento de marca para usted. El aviso que le proporcionamos también incluirá información sobre cómo solicitar una excepción. También puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción al formulario de BlueMedicare Classic y BlueMedicare Select?”.

Cambios que no lo afectarán si actualmente está tomando el medicamento. En general, si está tomando un medicamento de nuestro formulario 2024 que estaba cubierto al comienzo del año, no interrumpiremos ni reduciremos la cobertura de dicho medicamento durante el año de cobertura 2024, excepto según lo descrito anteriormente. Esto significa que estos medicamentos aún estarán disponibles al mismo costo compartido y sin nuevas restricciones para los miembros que ya los están tomando por el resto del año de la cobertura. No recibirá una notificación directa este año sobre cambios que no lo afectan a usted. Sin embargo, el 1.º de enero del año próximo, dichos cambios podrían afectarlo, y es importante verificar la Lista de medicamentos del nuevo año de beneficios por cualquier cambio en los medicamentos.

El formulario adjunto está actualizado al 19 de abril de 2024. Para obtener información actualizada sobre los medicamentos cubiertos por nuestro plan, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y la contraportada.

Nuestro plan proporciona actualizaciones mensuales del formulario en nuestro sitio de Internet (www.floridablue.com/medicare) y en versiones impresas, según sea necesario. El siguiente párrafo explica cómo se lo notificará en el caso de ciertos cambios.

Nuestro plan solo eliminará medicamentos de la Parte D de nuestro formulario, trasladará medicamentos cubiertos por la Parte D a un nivel preferido menor o añadirá requisitos de manejo de utilización 60 días después del comienzo del año del contrato asociado con el periodo de elección anual, y solamente si estos cambios son aprobados por los CMS. Si debemos hacer tales cambios al formulario, los miembros actuales que están tomando el medicamento están exentos del cambio del formulario por el resto del año del contrato, a excepción de lo especificado anteriormente.

Antes de eliminar un medicamento cubierto por la Parte D de este formulario o de hacer algún cambio en el nivel de costo compartido o nivel de preferencia de un medicamento cubierto por la Parte D, nuestro plan:

- Proporcionará una notificación escrita directa a los miembros afectados al menos 30 días antes de la fecha en que el cambio entre en vigencia.
- En el momento en que los miembros afectados soliciten un reabastecimiento del medicamento de la Parte D, le proporcionará al miembro un suministro de 31 días del medicamento de la Parte D bajo los mismos términos que estaban permitidos anteriormente y una notificación escrita sobre el cambio al formulario.

¿Cómo utilizo el formulario?

Hay dos maneras en las que puede encontrar su medicamento en el formulario:

Condición médica

El formulario comienza en la página 1. Los medicamentos de este formulario se agrupan en categorías según el tipo de condiciones médicas que tratan. Por ejemplo, los medicamentos utilizados para tratar una condición médica cardíaca se enumeran bajo la categoría de "Agentes cardiovasculares". Si usted sabe para qué se utiliza el medicamento, busque el nombre de la categoría en la lista que comienza en la página 1. Luego, busque su medicamento debajo del nombre de la categoría.

Listado alfabético

Si no está seguro bajo qué categoría buscar, puede buscar el medicamento en el índice que comienza en la página 116. El índice proporciona una lista alfabética de todos los medicamentos que se incluyen en este documento. El índice incluye tanto los medicamentos de marca como los medicamentos genéricos. Busque en el índice hasta encontrar su medicamento. Al lado del nombre del medicamento, encontrará el número de la página donde puede encontrar la información de la cobertura. Vaya a la página indicada en el índice y encuentre el nombre del medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Nuestro plan cubre medicamentos de marca y medicamentos genéricos. Un medicamento genérico es aprobado por la FDA por tener el mismo ingrediente activo que el medicamento de marca. Generalmente, las medicinas genéricas son menos costosas que las de marca.

¿Existen restricciones en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos adicionales o límites en la cobertura. Estos requisitos y límites pueden incluir los siguientes:

- **Autorización previa:** Nuestro plan requiere que usted o su médico obtenga autorización previa para ciertos medicamentos. Esto significa que deberá obtener aprobación por parte de nuestro plan antes de poder surtir sus medicamentos recetados. Si no obtiene aprobación, es posible que no cubramos el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que puede cubrir. Por ejemplo, nuestro plan proporciona 30 tabletas por receta médica de Januvia. Esto puede ser adicional a un suministro normal de uno o tres meses.
- **Terapia escalonada:** En algunos casos, nuestro plan le pedirá que primero pruebe ciertos medicamentos para tratar su condición médica antes de que cubramos otro medicamento para esa condición. Por ejemplo, si tanto el Medicamento A como el Medicamento B tratan su condición médica, es posible que no cubramos el Medicamento B hasta que usted pruebe el Medicamento A primero. Si el Medicamento A no le funciona, entonces cubriremos el Medicamento B.

Usted puede averiguar si el medicamento tiene algún requisito o límite adicional buscándolo en el formulario que comienza en la página 1. También puede obtener más información acerca de las restricciones que se aplican a medicamentos específicos cubiertos visitando nuestra página de Internet. Hemos publicado un documento en la página de Internet que explica nuestras restricciones de autorización previa y de terapia escalonada. También nos puede pedir que le envíemos una copia. Nuestra información de contacto, junto con la fecha en que actualizamos por última vez el formulario, aparece en la portada y la contraportada.

Puede pedirnos hacer una excepción a estas restricciones o límites, o puede pedirnos una lista de otros medicamentos similares que pueden tratar su condición de salud. Consulte la sección “¿Cómo solicito una excepción al formulario de BlueMedicare Classic y BlueMedicare Select?” en la página iv para obtener información sobre cómo solicitar una excepción.

¿Qué sucede si mi medicamento no está en el formulario?

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicios de Atención a los Miembros y preguntar si su medicamento está cubierto.

Si se entera de que nuestro plan no cubre su medicamento, usted tendrá dos opciones:

- Puede solicitarle a Servicios de Atención a los Miembros una lista de los medicamentos similares que **cubre** nuestro plan. Cuando usted reciba la lista, muéstresela a sus médicos y pídale que le recete un medicamento similar que esté cubierto por nuestro plan.
- Puede pedirnos que hagamos una excepción y cubramos su medicamento. Consulte a continuación para obtener información sobre cómo solicitar una excepción.

¿Cómo solicito una excepción al formulario de BlueMedicare Classic y BlueMedicare Select?

Puede solicitarle a nuestro plan que haga una excepción a las normas de cobertura. Existen muchos tipos de excepciones que usted puede solicitar.

- Nos puede solicitar que cubramos un medicamento aun si no está en el formulario. Si es aprobado, este medicamento será cubierto al nivel de costo compartido predeterminado y usted no podrá solicitarnos que proporcionemos el medicamento a un nivel de costo compartido más bajo.
- Puede solicitarnos que cubramos un medicamento del formulario a un nivel de costo compartido más bajo, a menos que el medicamento se encuentre en el nivel de medicamentos especializados. Si es aprobado, esto reducirá la cantidad que debe pagar por

el medicamento.

- Puede solicitarnos que eliminemos las restricciones o los límites de cobertura de su medicamento. Por ejemplo, para ciertos medicamentos, limitamos la cantidad del medicamento que nuestro plan puede cubrir. Si su medicamento tiene un límite de cantidad, puede solicitarnos que eliminemos el límite y cubramos una cantidad mayor.

En general, solamente aprobaremos su solicitud de una excepción si el medicamento alternativo está incluido en el formulario del plan, el medicamento del nivel de costo compartido más bajo o las restricciones de utilización adicional no serían un tratamiento eficaz de su condición o le podrían causar efectos médicos adversos.

Debe comunicarse con nosotros para solicitarnos una decisión de cobertura inicial para una excepción a las restricciones de un formulario, de uso o de nivel. **Cuando solicite una excepción a las restricciones de un formulario, de uso o de nivel, debe presentar una declaración de su médico o la persona autorizada para extender recetas que apoye su solicitud.** En general, luego de recibir la declaración de la persona autorizada para extender recetas que apoye su solicitud, debemos tomar nuestra decisión dentro de 72 horas. Usted puede solicitar una excepción acelerada (rápida) si usted o su médico consideran que su salud puede estar en serio peligro si espera las 72 horas para una decisión. Si se concede su solicitud de excepción acelerada, debemos darle una decisión a más tardar 24 horas después de que recibamos una declaración de respaldo de su médico u otra persona autorizada para extender recetas.

¿Qué debo hacer antes de hablar con mi médico acerca de cambiar mi medicamento o solicitar una excepción?

Como miembro nuevo o actual de nuestro plan, puede que usted esté tomando medicamentos que no están en nuestro formulario. O bien, puede ser que esté tomando un medicamento que está en nuestro formulario, pero solo puede recibir una cantidad limitada. Por ejemplo, es posible que necesite una autorización previa de nosotros antes de poder surtir su receta. Debe hablar con su médico para decidir si debe cambiar a un medicamento apropiado que esté cubierto o solicitar una excepción al formulario para que podamos cubrir el medicamento que necesita. Mientras habla con su médico para determinar el curso de acción correcto para usted, podemos cubrir su medicamento en ciertos casos durante los primeros 90 días en los que es miembro de nuestro plan.

Para cada uno de sus medicamentos que no se encuentre en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, cubriremos un suministro temporal de 31 días. Si su receta es por menos días, permitiremos que se reabastezca el medicamento para proporcionar hasta un máximo de 31 días de suministro del medicamento. Después de su primer suministro de 31 días, no pagaremos estos medicamentos, incluso si ha sido miembro del plan durante menos de 90 días.

Si usted es un residente de un centro de cuidados a largo plazo y necesita un medicamento que no está en nuestro formulario o si la cantidad que puede recibir es limitada, pero ya pasaron los primeros 90 días de la afiliación a nuestro plan, le cubriremos un suministro de emergencia de 31 días mientras usted consigue una excepción al formulario.

Existen circunstancias en las cuales pueden ocurrir transiciones no planificadas para los miembros actuales y en las que el régimen del medicamento recetado puede que no aparezca en el formulario. Estas circunstancias generalmente involucran cambios en el nivel de atención en los que un miembro está cambiando de un lugar de tratamiento a otro. Para estas transiciones no planificadas, usted debe utilizar nuestro proceso de excepción y apelación. Las determinaciones y nuevas determinaciones de cobertura se procesarán tan rápido como lo requiera su condición.

Cuando un miembro es admitido en un centro de cuidados a largo plazo (Long-Term Care, LTC) o dado de alta de este, no tiene acceso al resto de una receta médica suministrada previamente. Nos aseguraremos de que usted tenga un reabastecimiento al momento de la admisión o el alta. Se provee una anulación por única vez de las ediciones de "renovaciones demasiado pronto" para cada

medicamento que sería afectado debido a que un miembro es admitido en un centro de cuidados a largo plazo (LTC) o dado de alta de este. Las ediciones de reabastecimientos tempranos no se usan para limitar el acceso apropiado y necesario al beneficio de la Parte D de un miembro, y dichos miembros pueden acceder a un reabastecimiento al momento de la admisión o del alta.
