PHARMACY

Pharmacy Updates to Commercially Insured Medical Coverage Guidelines Now Available

Each month and quarter, our Medical Coverage Guidelines (MCG) for the commercially insured are updated and published at [FloridaBlue.com](https://www.floridablue.com) under *Medical and Pharmacy Policies and Guidelines, What's New*. February 15, 2026 updates include, but are not limited to, a revision to the **Uplizna** MCG to include the treatment of generalized myasthenia gravis. This update also includes a change to the **Nucala** MCG to include the treatment of inadequately controlled chronic obstructive pulmonary disease (COPD) with an eosinophilic phenotype. Many other MCG updates are listed. [Learn more>>](#)

QUALITY / HEDIS / CAHPS

Enhancing Quality Care: Understanding HEDIS Measures

Understanding Healthcare Effectiveness Data and Information Set (HEDIS) measures is important to delivering high-quality care to your Florida Blue patients. These evidence-based metrics assess the quality of care provided to patients in various areas, including preventive care, chronic disease management, and behavioral health. [Learn more>>](#)

Register Now for Florida Blue's Next Quality Innovations Webinar

Join us for our first 2026 Quality Innovations Webinar on **Tuesday, February 24**. This HEDIS educational program will address management of COPD and best practices to support effective diabetes care, blood pressure control, and medication adherence. Continuing medical education credit is available. [Learn more>>](#)

Stronger Recovery with Timely Behavioral Health Follow-Up

Prioritizing follow-up care for Florida Blue members hospitalized or treated in the emergency department for mental illness, self-harm, or substance use is crucial to their well-being and recovery. We are sharing best practices and resources to help you prioritize mental health and substance use follow-up care. [Learn more>>](#)

UTILIZATION MANAGEMENT AND OTHER PROGRAMS

Effective March 1: Physician-Administered Drug Program Notice of Change

We are expanding our Physician-Administered Drug Program (PADP) managed by Prime Therapeutics Management Medical Pharmacy Solutions (MPS), effective March 1, 2026.

For Truli for Health Providers Only

UTILIZATION MANAGEMENT AND OTHER PROGRAMS

Effective March 1: Physician-Administered Drug Program Notice of Change

We are expanding the PADP managed by Prime MPS for Truli for Health. As part of this change, we will require preservice reviews for certain drugs prior to administration in the office, home, outpatient hospital, ambulatory surgical center, public health clinic, and rural health clinic settings.
