

# INSTRUCTIONS FOR FILING A MEDICAL CLAIM

Please read all instructions carefully before completing the Medical Claim Form.

**Note:** If you are a Medicare member, please see page two for additional instructions related to filing a Medical Claim.

*If you incurred a covered medical expense or paid out-of-pocket and need to be reimbursed, you will send in this form. For medication and international claims, use the designated Pharmacy and/or International claim forms.*

1. This form is only needed to submit claims for services and supplies that are not submitted by your provider (i.e., out-of-network doctors and hospitals). You must file your claim within one year from the date of service. You can submit your claim any time during the year.
2. Use a separate claim form for each family member and each physician or supplier.
3. All sections of the form must be filled out completely or your claim may be returned to you.
4. **If your claim is a result of an accident**, please provide a copy of the auto carrier's Explanation of Benefits or Letter of Exhaustion (if available).
5. **If you have other insurance, please provide a copy of your ID card(s)** and send a copy of Explanation of Benefit (EOB) statements from the other insurance company for the claim you are submitting (i.e., Medicare, Health, Auto or Workman's Comp).
6. **If your claim is for Durable Medical Equipment** (i.e., wheelchair, respirator, oxygen, etc.), you must submit the prescription along with a letter of medical necessity from the treating physician.
7. **Your original itemized Bills and Receipts must include:**
  - Physician or supplier name
  - Physician or supplier address
  - Physician or supplier Tax ID and NPI (National Provider ID)
  - Member name
  - Patient's full name (if different from member)
  - Type of service and procedure code
  - Date of service or purchase
  - Diagnosis and diagnosis code
  - Condition being treated
  - Charge for each service rendered (may be found on itemized bill or receipt)

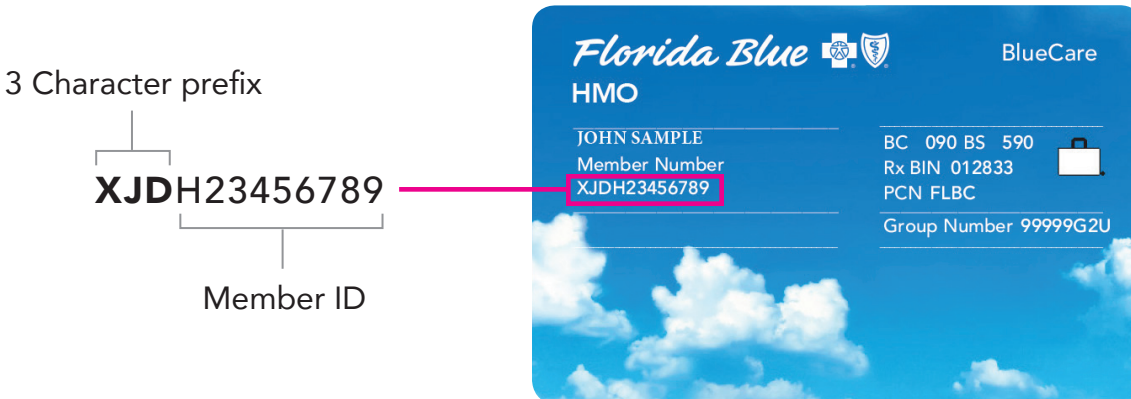

**Important:** You must submit original bills or receipts from your provider. Please keep a copy as the originals cannot be returned.
8. Please be aware that if the provider or supplier is contracted with Florida Blue, payment will be made to the provider. If this is a contracted provider and you have paid in full for services, you will need to seek reimbursement directly from the provider.
9. If this claim is for a non-contracted provider, payment may be made to you or to the provider. You may sign the AUTHORIZATION OF PAYMENT section to have payment sent directly to the provider.
10. **Please be sure to review your claim form and documents carefully to ensure we can process your claim accurately and quickly.**

## Helpful tips for locating your Member ID number

The Member ID is a combination of alpha and numeric characters. A correct Member ID number includes the prefix (first three characters) and nine subsequent characters beginning with "H" with the exception of Blue Medicare "Premier" Members and "Value" Rx ID Cards which have no alphanumeric prefix.

An example Member ID number is XJDH23456789 and is located on the front of your Member ID card.

Example Member ID card for illustrative purposes.

## MAILING ADDRESS

Please mail your completed claim form with original bills or receipts and copies of other Explanation of Benefits, if applicable to:

**Florida Blue**  
**P.O. Box 1798**  
**Jacksonville, FL 32231-0014**

**Medicare Members:** *You do not have to use this form, but it will help us process the information faster.*

We will pay your provider unless you have already paid them. We will reimburse you if you submit proof of payment, such as:

- A credit or debit card receipt showing you paid the provider
- A credit or debit card (bank) statement showing you paid the provider
- A copy of a canceled check (front and back) showing you paid the provider
- A copy of a credit or debit card receipt/statement and an itemized description of services received on a cruise ship

**Non-Medicare Members:** You may ask us to pay your provider. Or, if you want to be reimbursed for a service, you must send us proof you were charged for a covered service. Examples of this include:

- A superbill: An itemized bill from your doctor that includes the information in step number seven (see instructions page 1)
- A letter or statement from your provider that includes the information in step number seven (see instructions page 1)
